Dear Prospective Member,

Thank you for your interest in membership at Richmond Country Club. Enclosed, please find an application for membership. The following details the membership application procedure. Membership in Richmond Country Club is by invitation only. Prospective members are required to be sponsored by a Richmond Country Club member in good standing. The Membership Committee and the Board of Director's are happy to assist a candidate by providing a sponsor.

The prospective member is requested to complete the application with a profile and submit it to the Membership and Marketing Director. The sponsor questionnaire may be included with the application or sent separately by the sponsor.

Payment including the following must accompany the application for membership:

- Respective Initiation Fee
- Respective First Month's Dues
- Respective Capital Fee
- Required Stock Purchase
- \$100 Non-Refundable Application Fee

Upon receipt of the required information, the prospective member is interviewed by a representative from the Membership Committee. The application is then reviewed and voted upon by the Board of Director's. Once a decision is made by the board, the applicant will be contacted by the Membership and Marketing Director.

Thank you again for your interest in Richmond Country Club. I look forward to assisting you throughout the membership approval process. Please feel free to contact me directly with any questions you may have regarding the enclosed information.
